

TERMS AND CONDITIONS FOR USING THE EXTERNAL PADDLING POOL

§ 1

1. These Regulations contain supplementary and specific provisions specifying the rules for the use of the external paddling pool with water attractions placed in it (hereinafter jointly referred to as the "paddling pool"), located in the swimming pool area separated in the Chochołów Thermal Baths Facility.
2. The paddling pool and its attractions are available only for children under 13, who are under the constant care and supervision of a parent or adult guardian.
3. The paddling pool and all water attractions placed in it are an integral part of the swimming pool area, and all persons using them are obliged to comply with both these Regulations and the Regulations for using the swimming pool area. The guardian of a child using the paddling pool and its attractions is obliged to read these Regulations, information boards, signs and instructions for using water attractions before using them and pass on the safety rules to the child and then supervise compliance with their provisions.
4. Each User is also obliged to strictly comply with the provisions of the main Regulations of the Facility.
5. In all matters not covered by these Regulations, the provisions of the other Regulations in force in the Chochołów Thermal Baths Facility, particularly the provisions of the main Regulations of the Facility, shall apply.

§ 2

1. Guardians are obliged to strictly and constantly supervise children while using the paddling pool and its water attractions and staying in such a place close to the water surface from which they constantly see the children and are seen by them.
2. Participants of organised groups, including children and youth of school age, may use the water slides located in the paddling pool only in the presence of a group guardian supervising them. The guardian must be present and constantly supervise the group members on the slide-starting platform.
3. Water slides placed in the paddling pool are not intended for people with cardiovascular, respiratory, skeletal, neurological and gastric dysfunctions, and those who are particularly sensitive to sudden overloads.

§ 3

1. When using the paddling pool, including, in particular, the water slides located in the paddling pool, it is forbidden to cause situations that threaten one's own safety, the safety of other people using the paddling pool and the area of the swimming pool area or that may cause an accident, in particular:
 - climbing on balustrades, handrails and structural elements not intended for this purpose;
 - using the paddling pool and its attractions if the access is closed with a chain, rope or other visible way;
 - adults not taking care of children staying in the paddling pool;

- pushing children into the pool basin or the slide of the slide;
 - jumping into the pool basin and sliding from the run-up;
 - starting the descent when there are already other Users in the landing area or within the slide;
 - performing slides in pairs, in a group and with small children;
 - sliding down with objects that may cause bodily injury, in particular: glasses, jewellery (watches, rings, bracelets, straps, chains, earrings, hair ornaments) and swimming equipment (boards, swimming goggles, etc.);
 - stopping during the descent and getting up inside the slide;
 - staying in the landing area at the end of the slide after finishing the slide;
 - entering the slide from the side of the end element and climbing inside the slide towards the starting point.
2. When entering the slide platform, be especially careful: it is forbidden to run, push, force a place in the queue, etc.
 3. Starting the descent is allowed only when there are no other Users in the landing area or within the slide.
 4. The descent takes place individually.
 5. The only permitted downhill position is sitting facing the direction of travel or lying on your back with your legs together and straight, facing the direction of travel and your arms along your body. This position should be maintained throughout the descent. Changing positions during the descent as well as other descent positions are prohibited.
 6. Detailed instructions for using the slides located in the paddling pool:
 - calmly enter the starting section (pushing, running and leaning out are prohibited);
 - take the correct descent position;
 - slide freely without stopping;
 - throughout the descent, observe the area in front of your legs so that you can brake in time at any meeting with the predecessor of the descent, avoiding a collision;
 - leave the landing area immediately after the descent at the end of the slide;
 - report any possible defects to the lifeguard immediately after leaving the landing area.
 7. All persons using the slides are obliged to strictly follow and comply with the instructions, commands and sound signals of the lifeguards and employees of the swimming pool area, as well as messages given through loudspeakers.

§ 4

1. In the event of an accident caused by non-compliance with these Regulations, the User bears all responsibility.
2. All persons violating public order or the provisions of these Regulations will be removed from the paddling pool area, as well as from the pool area.
3. Other basic rules for using the Facility, as well as the rules of liability and obligations of the Customers, are regulated by the Regulations for using the swimming pool area and the main Regulations of the Facility.
