

## REGULATIONS FOR THE USE OF A BABY SWIMMING POOL

### § 1

1. These Regulations contain additional and specific provisions specifying the rules for the use of the baby swimming pool located in the child's area in the swimming pool area separated at the Chochołów Thermal Baths Facility.
2. The swimming pool is intended only for infants and the youngest children aged 3 months to 3 years and their parents/guardians who provide constant care and supervision over the children using the swimming pool. The water temperature in the baby pool is between 30°C and 32°C, and the chlorine concentration has been reduced compared to the standard one.
3. The baby pool located in the child's area is an integral part of the swimming pool area, and the above-mentioned children's area and all persons using it are obliged to comply with the provisions of these Regulations as well as the Regulations for using the swimming pool area and the Regulations for using the children's area.
4. Each User is also obliged to strictly comply with the provisions of the main Regulations of the Facility.
5. In all matters not regulated in these Regulations, the provisions of the other Regulations applicable at the Chochołów Thermal Baths Complex shall apply, in particular, the provisions of the main Regulations of the Facility.
6. The guardian of a child using the baby pool is absolutely obliged to read the content of these Regulations, as well as any information boards, signs, and instructions for use before starting to use them, and then comply with their provisions.

### § 2

1. Only healthy children or children whose ailments do not constitute contraindications to using this type of attraction can use the baby swimming pool. In case of any doubts, the parent/guardian should consult a doctor on the contraindications to using this form of recreation.
2. Guardians are obliged to supervise children absolutely and constantly when using the baby pool - in particular, to ensure their constant protection and stay in close proximity to the child. A child is not allowed to stay in the pool alone.
3. Children using the baby pool are obliged to have and use disposable diapers/diaper pants designed specifically for bathing at all times.
4. In the event of pool contamination, the parent/guardian is obliged to immediately inform the pool area employees (especially lifeguards).
5. The maximum time for a single use of the baby pool is 30 minutes, provided that in each case the parent/guardian is obliged to individually assess and adapt the time of the child's stay in the pool to his or her skills, general fitness and health condition, as well as to the child's current well-being.

### § 3

1. When using the baby pool, you are prohibited from causing situations that threaten your own safety, the safety of other people using the pool and the swimming pool area and the child's area, or that may cause an accident, in particular:

- climbing on balustrades, handrails and structural elements not intended for this purpose;
  - using the swimming pool and its attractions if a chain, rope or other visible means block access;
  - adults who do not take care of children staying in the swimming pool;
  - pushing children into the pool basin;
  - jumping into the pool basin.
  - bringing and consuming drinks or food into the pool, including feeding children (including breastfeeding) in the pool.
2. All persons using the baby pool are obliged to strictly follow and obey the instructions, commands and sound signals of lifeguards and pool area employees, as well as messages given by loudspeakers.

#### **§ 4**

1. In the event of an accident caused by failure to comply with these Regulations, the User bears all liability.
2. All persons violating public order or the provisions of these Regulations will be removed from the pool area, as well as from the child's area and the pool area.
3. Other basic rules for using the Facility, as well as the rules of responsibility and obligations of Customers, are regulated in the Regulations for the use of the children's area and the Regulations for the use of the swimming pool area and the main Regulations of the Facility.
